Wednesday 5th December

Dear Parents and Caregivers,

We have so many wonderful opportunities for the community to be engaged in the learning at Warrimoo. Our 2019 Kindergarten evening night will be on Wednesday 6:00-7:00pm followed by our P&C meeting. The Kinder transition program will start this Friday and run for the next two Fridays. We are very excited to welcome our new families into the school as well as allowing our Year 5 students to finally meet their buddies.

Warrimoo Public School students have been enjoying their learning activities in class as well as enjoying our beautiful playground. Look at how well our students can collaborate and work together!

Australian Resilience Award for our Get Ready Weekend school program

I am so proud to inform you that Warrimoo Public School and Warrimoo Rural Fire Service received a highly commended in the Resilient Australia National School Award for our *Getting Bushfire Ready at Warrimoo Public School*. Tina Cuzner (Relieving Principal) and Pete Randall (Warrimoo RFS Engagement Officer) have both worked so hard to:

- Equip WPS students with bush fire safety knowledge, skills and values to help them respond appropriately in an emergency,
- Promote WPS as a safe place for kids in a bush fire event, having a robust emergency plan.
- And developing an understanding of what resilience attributes look like for WPS.

PUBLIC SPEAKING COMPETITION

On Thursday November 8th, I had the pleasure of attending the Blue Mountains Public Speaking and Oral Reading Competition at Winmalee Public School. Stage 3 sent two students who were selected, after presenting speeches to their peers, to represent our school. These students were Olivia M from Year 5 and Ari V from Year 6. Olivia's topic was "Miracles do Happen" and Ari's was "Sustainable Cars of the Future". The standard was very high and these students were a credit to our school and themselves. The adjudicators were retired High School English teachers who commented on the very high standard presented by all competitors. They should be very proud of their efforts.

Our Stage 2 representatives for Oral Reading, Leonard D from Year 3 and Saskia C from Year 4, were unfortunately not able to attend due to the Stage 2 camp clashing with the dates. However we will have the pleasure of hearing their readings at the 2/1T assembly this Thursday, 15th November.

SPRINGWOOD RSL REMEMBRANCE DAY SERVICE

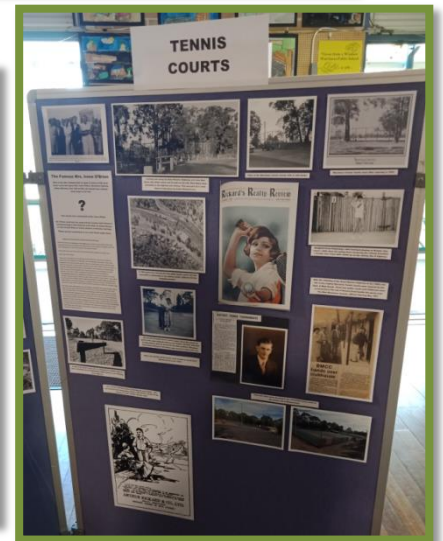

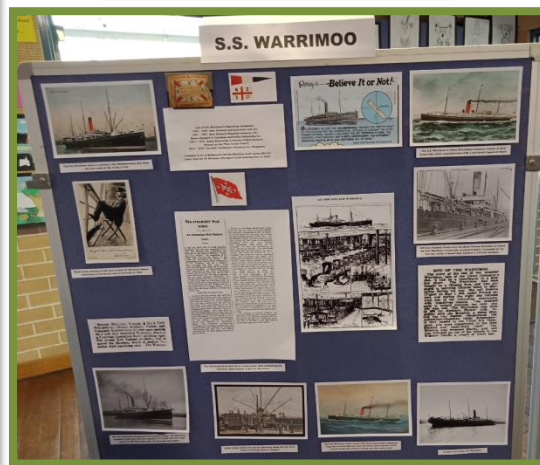

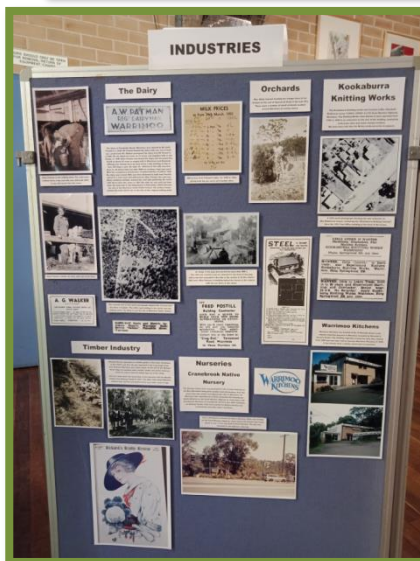

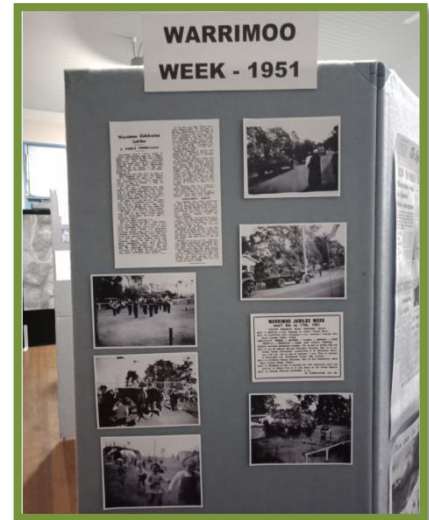

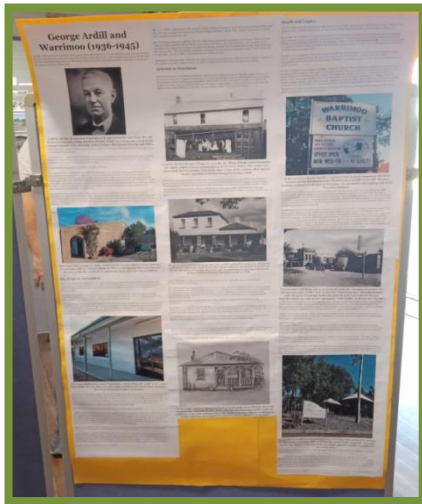

Last Sunday, 11th November, I had the honour of accompanying our School Captains for the Remembrance Day Service celebrating the Centenary of the Armistice of WW1. Charlotte, Joshua, and Quinn wore their uniform with pride and treated the occasion with the respect it deserved. They were great ambassadors for our school. Terri-Ann from Year 5 also attended the Service with her father and his tanks from that era.

100 years of Warrimoo Celebration

Over the last two weekends the Warrimoo Public School has been celebrating the 100 years of Warrimoo. I would like to thank all the members of the Warrimoo Citizens Association for all their dedication, amazing research skills and all the hard work that went into such a wonderful event. It was great to see all the families and community members coming in and viewing the wonderful boards full of interesting information and illuminating maps and pictures that were displayed in the hall. The Bush Dance that followed was enjoyed by all and many families commented that they could not wait for the next one. Thank you to the P&C for all the hard work in organising this event, cooking the food that fed over 200 people and their enthusiasm and energy.

Dear Parent / Caregiver

K-6 End of Year - MOVIE DAY - 2018

Our end of year event for all students this year is a Movie Day at Glenbrook Theatre on Wednesday 12th December 2018.

The cost will be \$11.00 per student for the bus and movie. *(Please note that the total cost is reduced this year due to the bus fare being quoted cheaper than previous years in conjunction with a school subsidy resulting from residual community funding).*

All students are to wear full school uniform as we are leaving the school.

All monies and permission notes are to be returned to the class teacher by **Wednesday 5th December 2018.**

This will be an enjoyable end of year experience for all children and as a staff we anticipate that all children will participate. If any financial assistance is required please contact the school.

The scheduled movie is "Ralph Breaks the Internet" which is yet to be classified.

GOLD AWARDS SEMESTER 2 2018

The end of year is fastly approaching and we need to think about our Gold Award Assembly. This will be held on Thursday 13th December. If your child has three silver awards then they are eligible for a gold award. These can be bought to me anytime. For the wonderful ladies in the office to have time to organise letters to notify the families of recipients, the awards and programs, we need to have the silver awards by **Friday 30th November**. This is the day after 2/1B's assembly, the last one for the year. Unfortunately any awards **cannot be accepted** after this date. They will need to be held over to 2019.

What is My School Lunch Box?

My School Lunchbox is a Blue Mountains business that has developed a business supplying school lunches to over 20 schools from the Blue Mountains and Penrith areas. The food is made locally in Leura and they are fully compliant with relevant food safety and hygiene regulations.

How does it work?

Parents order and pay for their child's lunch order online by 8am on the lunch order day (Friday). The order is then made and packaged in 100% recyclable lunch boxes. It is labelled with the child's names, class, school etc and delivered to the school just before lunch time. Cold food is kept cold with ice packs and hot food is kept warm in special boxes. The lunches will be distributed by parent volunteers (If you can help for 1 hour please contact Emma – see details above).

What is on the Menu?

There is a wide variety of healthy and other options on the menu. The menu also offers a number of vegan and gluten free options and the food is prepared in a nut free kitchen. The menu can be viewed at www.myschoollunchbox.com.au/menu

How do I order?

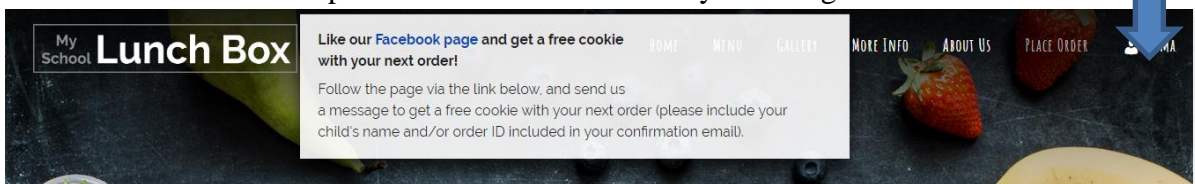

To order you will need to set up an account at www.myschoollunchbox.com.au.

1. Go to www.myschoollunchbox.com.au and click on 'sign up' in the top right corner of the web page
2. You'll need to create a username and password and put in your name and a contact phone number.
(Hint: the password needs to be at least 8 characters, have a capital and a special character (@#\$%*) in it - for example Warrimoo#)
3. Once you do that login and go to the top right of the webpage and click on your name and select My Students

4. You then need to add your child by typing in their name, selecting Warrimoo Public School and their year. **In the extra information box make sure you type in your child's class**, so that we can make sure the order goes to the correct classroom. Make sure you save your changes.

5. You then need to place an order. You do this by selecting Place Order:

6. Then you just scroll through the different options and select the option(s) you want to order and add the optional extras if you want them. For example with the sandwiches you can select what bread, and then extra fillings if you want them. This is also where you check/select the date for your order.
7. Then after you have finished adding what you want to your order select pay now. You can pay with paypal or credit card.

Orders need to be completed by 8am on Friday morning at the latest. If you are ordering close to 8am you may want to ring My School lunch box and confirm that they have received your order.
