# Principal's Report

Dear Parents Caregivers,

## COVID-19 Reminders regarding absences

Thank you to all the families that have had their child/ren tested for COVID-19 in response to the changes that were implemented in Week 5 in NSW schools. If your child is displaying any of the following flu like symptoms; fever, runny nose, sore throat, cough or even mild symptoms we strongly recommend your child be tested as confirmation of a negative COVID-19 test will need to be sighted and your child be symptom free before returning to school. If you decide to refrain from having your child tested the Department of Education has updated their guidelines to exclude the child from school for 10 days. Once again, thank you for your ongoing support of our school, as we are all working together to keep the students, staff and community of Warrimoo safe.

## Positive Behaviour for Learning – PBL

At Warrimoo Public School we are Safe, Respectful, Engaged Learners. Throughout Week 7 and 8 the staff and students will be focusing on '*taking turns*' in the classroom and the playground. By taking turns we develop skills required for all aspects of life; from family, relationships and work. Please echo the message of taking turns with you children at home and together, in partnership, we will support the social development of all students who attend Warrimoo Public School.

## Tell Them From Me Survey

This Term, our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will close on 25th October 2020. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

The link to access the survey is: <http://nsw.tellthemfromme.com/35r7h>

## Check-In-Assessments

This year as a response to all the challenges NSW schools faced during 2020, the Department of Education has released online assessments which schools can use to assist in supporting teachers to plan and inform teaching in the areas of literacy and numeracy. Our school is using this opportunity to utilise these free online resources.

The check-in-assessment is an online assessment for students in Year 3, 5 and 9 and is available to schools during Term 3 and Term 4. **Our Year 5 students participated in the online tests on Wednesday 2<sup>nd</sup> September with Year 3 students are scheduled to complete the assessments on Monday 21<sup>st</sup> September.**

This is not a replacement test to NAPLAN and therefore there is no parent report. It is a tool for teachers to use when planning for differentiated teaching and learning programs. The check-in-assessments are designed to supplement existing school practices to identify how students are performing in literacy and numeracy, and to help teachers tailor their teaching more specifically to student needs.

## NSW Schools Update App

This app allows parents and caregivers to receive operational status updates for their children in NSW public schools, including notifications of temporary closures. To download the app you can search for 'NSW Schools Updates' in the App Store (for Apple devices), in Google Play (for Android Devices) or go to:

<https://education.nsw.gov.au/parents-and-carers/nsw-school-updates-app>

## Shutter Bugs Updates

The Shutter Bugs photography group have been busy taking pictures and engaging with the macro settings on the cameras.

Here are some photographs recently taken in the playground of some 1:64 Hot Wheels vehicles in various positions.

On Friday of Week 7, 'Bob' our local bearded dragon was located in the playground close to the basketball court sunning himself in the beautiful surroundings of Warrimoo Public School. An impromptu Shutter Bugs lesson was established with several of the students who were playing nearby. They really have captured Bob's content expression basking in the sun.

Well done Shutter Bug students and Ms O'Connor!

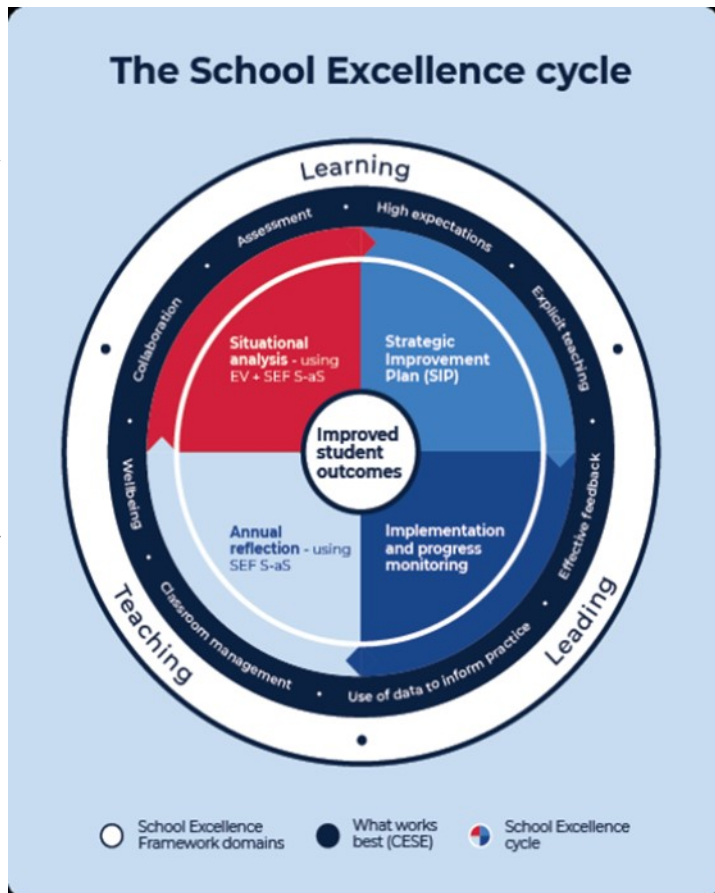

## 2021 School Enrolments

Kindergarten enrolments and all other enrolments for 2021 are currently being taken. In order for us to prepare our classes and ensure that equitable class numbers are maintained it is essential that we have all the information needed leading into 2021. If you know of someone who is enrolling at Warrimoo Public School and has not yet done so, could you please pass on our school details? Additionally, if you have children in Kindergarten to Year 5 and are planning on moving at the end of the year, that information is important also.

## School Excellence

The NSW Department of Education is committed to ongoing school improvement. We will finalise our current three-year school plan at the end of Term 4 and begin to engage with the Department's revised process of school improvement – School Excellence in Action. This cycle aims to improve student outcomes through the development of a situational analysis and Strategic Improvement Plan, and through implementation and progress monitoring and an annual reflection. Throughout this cycle, schools will engage in various forms of consultation and engagement with members of the school community, including staff, students, parents and wider community groups. We are excited about the opportunities that this new approach to school excellence will provide for our school. If you would like more information, please visit the following website: <https://education.nsw.gov.au/teaching-and-learning/school-excellence-and-accountability/2021-school-excellence-in-action/school-improvement-and-excellence/the-school-excellence-cycle>

I wish you a very happy and enjoyable fortnight ahead.

My kindest regards,

Mr Tony Jeff  
Principal

## LOST PROPERTY

The lost property box is currently full of items without names on them.

Our Administration Staff go through the box on a weekly basis and sift out items to return to the owners who can be identified.

We kindly ask that you label all clothing, lunch boxes, drink bottles, containers and anything else of personal value with your child's name.

Iron on clothing labels can be purchased from as little as \$11 for 30 labels online and you could probably even source it cheaper!

Whilst we do our best to try and locate missing items, occasionally they may be picked up and taken home by another student. Therefore we ask that you check your child/ren's clothing regularly in case they have accidentally brought home someone else's item by mistake.

We thank you for your understanding and co-operation.
